

Keep Haldimand Together in Haldimand-Norfolk

Elections Canada has undertaken the responsibility of redrawing riding boundaries, as established in the Electoral Boundaries Readjustment Act (R.S.C., 1985, c. E-3). On August 19th, the Commission responsible for redrawing the riding boundaries in Ontario released their proposal for the province, and for our riding of Haldimand-Norfolk.

As your MP, a resident and as someone who cares deeply about our community, I'm disappointed in the proposed changes. As proposed, the riding of Haldimand-Norfolk would become Haldimand-Norfolk - Six Nations. The commission has recommended that the communities of Mississaugas of the Credit, Six Nations, and Tillsonburg would be added to the riding and that Haldimand communities, east of Haldimand-Dunnville Townline Road be included in the district of Niagara West. The proposal intends to remove the communities of Canborough, Attercliffe Station, Lowbanks, Port Maitland, Stromness, and Dunnville from the riding of Haldimand Norfolk.

I believe that it's important to keep our community together, and to let the commission know that their proposal isn't in the best interests of our residents or businesses.

You know this community well and understand that these changes are not in our best interest. Changing the commission's proposals will require us to work together and make sure our voices are heard. To that effect, I will be submitting a written proposal to the Ontario Commission, recommending that the entirety of Haldimand County remain together in the proposed new riding of Haldimand-Norfolk-Six Nations, and that the Town of Tillsonburg remain united within the larger Oxford district.

Sign your name here if you agree and I will include it in my written submission to the Ontario Commission.

As the Member of Parliament for Haldimand-Norfolk I take pride in representing all members of our community and know that our community is better together.

Thank you,

Leslyn Lewis, Member of Parliament for Haldimand-Norfolk
